

Outstanding Practice Accommodation Providers

Mission Statement - *(to be used on lodge websites or in literature to describe your lodge membership)*

As part of our **Svasara Jungle Lodge** commitment to responsible tourism practices, we are Wildlife Lodge member of the Travel Operators for Tigers campaign (TOFTigers).

TOFTigers is a global travel industry initiative which aims to advocate, catalyse and support a more responsible and sustainable approach to wildlife tourism in India and Nepal's Tiger Reserves. Its objective is to support specific conservation and local community projects which benefit the local villagers and the wildlife within the parks you visit as part of your stay with us.

As part of this campaign we have been environmentally ranked through a process called the PUG audit, and ranked as an **Outstanding Practice Certification** provider, in our operational practices, the highest PUG ranking.

This allow visitors to rest assured that your visit to **Svasara Jungle Lodge** in **Tadoba Tiger Reserve** is enjoyed in a lodge that makes sustainable development, environmental and socio-cultural issues our prime priority, and endeavour to be both environmentally innovative and socially responsible. The ranking illustrates that we have made a positive impact on the environment, on support for our local community, and on the experiences of our clients. The PUG audit team recognizes that we are continuously working to better our operations and enhance our sustainability, with our management being knowledgeable about key issues. Finally we work hard to maintain our status as exemplary industry leaders, so that others can learn from us. For further details on this certification please view this website : www.toftigers.org
